

2025 World Service Conference Workshop

Workshops will be held at 5:00 p.m. (PT) See proposed schedule below

The workshops are open to all members, to review the motions for the 2025 World Service Conference. All members have a responsibility to be fully informed in order to have a group conscience on the motions.

The meetings will start at 5:00 p.m. (PT) ending no later than 6:00 p.m. (PT)). Please try to log in a few minutes early in order to start on time. We will review as many motions that will fit in that time slot.

It is helpful to read the motions before the meeting so we can discuss any questions, comments, or consequences you may have for the motions. Some of them will require more time than others. The CAR is attached in case you do not have a copy.
